*Dear David,*

The result of the referendum on the UK's membership of the EU has come as a considerable surprise to the rest of Europe.

We want to assure our business partners, clients and staff of ERGO Versicherung AG's commitment to the UK insurance market and we would like to re-iterate the key messages of our letter of February this year.

ERGO's strategic approach to the very important UK and Irish markets remains unchanged. We will continue to offer you a strong partnership based upon our clear commitment to a long-term engagement, to our mutual benefit.

ERGO management will follow developments closely. Obviously, the precise details of the future structure of our UK business must depend to a large extent on the political settlement that emerges between the EU and the UK – and this is unlikely to be clear for some time yet.

We will continue to keep you updated and until then it remains "business as usual".

With sincere best wishes.
